

Attention RCMP Hate Crimes Division

Canadian citizens want Premier John Horgan to face charges for Public Incitement of Hatred and Wilful Promotion of Hatred. His behaviour is unacceptable as a Premier of the Province British Columbia and this behaviour needs to end.

On a Friday March 11, 2022 press conference Horgan made harmful statements to citizens saying: "I would just say to these people: goodness me, get a hobby," "give your head a shake." and that "anti-mandate protestors are a "small group of people" who have "nothing better to do with their time but to drive around in circles honking their horns." Premier John Horgan's wilful promotion of hatred and divisive incitement on the subject surrounding human rights rallies around the Parliament Buildings is nothing short of hate speech. Claiming the people driving around with flags and standing on the street waving the Canadian flag are nothing more than people who do not want a vaccine. These remarks are reminiscent of Prime Minister Justin Trudeau's hateful rhetoric throughout the past two years where he coined the phrase "anti-vaxers" who are "racist, misogynistic extremists."

These statements could not be farther from the truth – the citizens with Canadian flags are opposing government over-reach with mandates that were illegal due to the Canadian Bill of Rights and bodily autonomy. If Horgan had some political interest in BC citizens he would also be concerned about this illegal push to state enforced medical procedures.

In the Criminal Code of Canada Section 318(4) an identifiable group is defined as the following.

(4) In this section, **identifiable group** means any section of the public distinguished by colour, race, religion, national or ethnic origin, age, sex, sexual orientation, gender identity or expression, or mental or physical disability.

Hate Propaganda - Canadian Criminal Code, it is a crime to incite or promote hate towards an identifiable group.

Public incitement of hatred 319 (1) Every one who, by communicating statements in any public place, incites hatred against any identifiable group where such incitement is likely to lead to a breach of the peace is guilty of **(a)** an indictable offence and is liable to imprisonment for a term not exceeding two years; or **(b)** an offence punishable on summary conviction.

Wilful promotion of hatred (2) Every one who, by communicating statements, other than in private conversation, wilfully promotes hatred against any identifiable group is guilty of **(a)** an indictable offence and is liable to imprisonment for a term not exceeding two years; or **(b)** an offence punishable on summary conviction.

If these same statements of Horgan were directed to a Gay Parade or Black Lives Matter gathering the public would be outraged. How is it this harmful propaganda narrative is accepted by government officials and promoted in mainstream media. These remarks by Horgan and Trudeau that promote in the media detestation or vilification of citizens who wave the Canadian flag have caused clashes within the public and multiple threats to the safety of citizens concerned about their Bill of Rights and government overreach. Motorists have made rude and threatening gestures to flag wavers, some motorists yell obscenities or even attempt to drive through the crowd.

As stated in the Canadian Bill of Rights "the Canadian Nation is founded upon principles that acknowledge the supremacy of God, the dignity and worth of the human person and the position of the family in a society of free men and free institutions; Affirming also that men and institutions remain free only when freedom is founded upon respect for moral and spiritual values and the rule of law" **"1** It is hereby recognized and declared that in Canada there have existed and shall continue to exist without discrimination by reason of race, national origin, colour, religion or sex, the following human rights and fundamental freedoms, namely, (a) the right of the individual to life, liberty, security of the person and enjoyment of property, and the right not to be deprived thereof except by due process of law; (b) the right of the individual to equality before the law and the protection of the law; (c) freedom of religion; (d) freedom of speech; (e) freedom of assembly and association; and (f) freedom of the press."**2**Every law of Canada shall, unless it is expressly declared by an Act of the Parliament of Canada that it shall operate notwithstanding the Canadian Bill of Rights, be so construed and applied as not to abrogate, abridge or infringe or to authorize the abrogation, abridgment or infringement of any of the rights or freedoms herein recognized and declared."

Honest hard working citizens certainly do not need to be demeaned further with hateful remarks. These same honest tax paying citizens who have been coerced / threatened for the past two years to take this experimental injection or lose their livelihood and their right to travel etc. have suffered severe economic repercussions due to the governments illegal actions.

His statements were defamatory and condescending remarks motivated by bias, prejudice or hate and have no place in a free and open society as Canada. Your attention would be greatly appreciated ,as all our rights are being threatened.
